# Nottingham City – Central Location

A **compact city centre** means your party will never have far to walk between hotels, bowling alley and other social venues and you will find their way around the city with ease.

Nottingham is also one of just a handful of cities that have been accredited with a Purple Flag award for the variety, safety and cleanliness of our after dark offering.

**At the heart of the city is Old Market Square**, dominated by the Council House and its formidable stone lions. It is the second largest public square in Europe after Trafalgar Square and provides a focal point for visitors and locals alike.
